On March 27, 2024, Mr. Cloninger released from custody and entered the RRC as directed.

On May 9, 2024, the undersigned was contacted by RRC staff who suspected that Mr. Cloninger was using Spice, synthetic marijuana. They located in Mr. Cloninger's bed paraphernalia related to the use of Spice (burnt pieces of paper, burnt batteries, and two alarm clocks that had the cords cut having the wires exposed).

As a result of the items located, Mr. Cloninger is being terminated from the RRC.

The U.S. Probation Office respectfully recommends the Court to incorporate the violation(s) contained in this petition in future proceedings with the violation(s) previously reported to the Court, and that the Court issue a warrant.

I declare under penalty of perjury that the foregoing is true and correct.
